

# **Hampshire Schools Track & Field Championships**

**Southampton**

**June 14, 2008**

## **Results from Lorraine & Dave Vidler**

We had an extremely difficult day with numerous changes/substitutions/unknown runners

More athletes than ever contacted us asking why their performance had been attributed to someone else in the results.

The spreadsheets that we use rely on athletes running with the correct number, as allocated in the programme or as notified to us during the meeting.

Yes, we did make the odd mistake, but Numerous athletes were given the wrong number by their team managers and some athletes ran without being declared to us.

Where the information was brought to our attention, the names have been corrected.

Please accept our apologies for any errors.
